THE CREATIVE DAW – NOW BETTER THAN EVER!

ACID Pro 10 is the ultimate creative DAW for loop and sample-based work with a unique approach to drawing loops directly onto a multitrack timeline that sets it apart from all other products on the market. zynaptiq® STEM MAKER 2 features significantly more precise audio source separation technology, allowing producers to create remixes of popular songs in no time at all. Intuitive sound editing offered by the new ACID Morph Pads and the new transient detection in the optimized MIDI Playable Chopper ensure the perfect workflow. ACID Pro 10 has everything you need for great music production: From original concept to final master, there's no faster and comparable alternative to ACID Pro 10.

ACID Pro 10 is the ultimate creative DAW for music production and an incomparable tool for experimental music producers and beat artists with the addition of the new zynaptiq® STEM MAKER 2. Record simultaneously on multiple tracks, play virtual instruments and create high-quality loops, unique songs and remixes. Let your creativity flow using the new ACID Morph Pads and use the brand-new Sidechaining feature to get your audience dancing – all combined in the familiar ACID workflow.

(100 words)

ACID Pro 10 is the ultimate creative DAW for music production and an incomparable tool for loop-based music production thanks to the addition of innovative features such as the brand-new zynaptiq® STEM MAKER 2. The redesigned MIDI Playable Chopper (MPC) with transient detection allows music production without limits in ACID Pro 10. Record simultaneously on multiple tracks, play virtual instruments and create high-quality loop variations and arrangements with exciting transitions. Separate songs into individual tracks faster and more efficiently than ever before with the new zynaptiq® STEM MAKER 2, use the brand-new Sidechaining feature to get your audience dancing and push your creativity to a whole new level using the ACID Morph Pads – all combined in the familiar ACID workflow. ACID Pro 10 simply has everything you need for professional music production. Sketch your songs from the initial idea right through to the final master.
